Additional Notes:

Flexibility: These rates are a baseline. Prices will vary based on length and complexity of each project. I can also offer package prices and am flexible based on your needs.

Custom Quotes: For projects that don't fit neatly into one category or require a combination of services, I can create a custom quote tailored to your needs.

Retainer Options: For clients needing ongoing support, I also offer a retainer model starting at a base rate of €250 per month, which can be customized based on the services you require.
